---

## Professional Summary

Versatile CG Generalist with expertise in 3D modeling, animation, and motion graphics. Contributed to award-winning productions like "The Wish" in Epic Game's India Shorts Program. Skilled in tackling challenges, collaborating with teams, and using 2D & 3D tools like Adobe Photoshop, Illustrator, Maya, Blender, and Unreal Engine to create engaging visuals and animations.

---

## Core Skills

- **3D Art:** 3D Modeling, Lighting, PBR Texturing, High-Poly & Low-Poly Asset Creation.
- **Animation:** Character Rigging, Key frame Animation, 2D/3D Animation.
- **Motion Graphics:** Motion Typography, Visual Storytelling, Particle Effects, Compositing
- **Production Workflows:** End-to-End Pipeline Management, Asset Optimization, Cross-Department Collaboration
- **Editing:** Video & Audio Editing
- **Virtual Production:** Real-time content creation including level design, scene assembly, lighting optimization, and asset Optimization for real-time engines like Unity and Unreal.
- **AR/VR Development:** Experienced in creating lightweight and stable scenes in Unity, optimizing 3D assets using middleware like Simplygon, and ensuring performance-ready environments AR/VR platforms with basic interactive prototyping.

## Technical Skills

Blender | Autodesk Maya | Autodesk 3ds Max | Substance Painter | Unreal Engine | Unity | Adobe After Effects | Adobe Premiere Pro | Adobe Photoshop | Adobe Audition | Adobe Illustrator | CapCut

---

## Professional Experience

Music Video Project – Shuddhi Productions (Freelance)

3D Motion Graphics Artist | CG Generalist

October 2024 – March 2025

- Designed and produced a lyrical music video featuring Chladni pattern simulations, blending 3D environments, motion graphics, and dynamic visuals using Blender and After Effects for high-quality, timely delivery.

Tibetan Dubbing Society (Freelance)

Motion Graphics Designer

March 2024 – May 2024

- Animated over 50 illustrations for a cultural preservation project, designing motion graphics and managing 2D asset preparation and compositing with Adobe After Effects and Premiere Pro to ensure engaging, high-quality deliverables.

Central Square Foundation (Freelance)

Motion Graphics Designer

January 2024 – March 2024

- Conceptualized and executed animations for educational content, enhancing accessibility and retention.
- Streamlined workflows for asset integration using After Effects, resulting reduction in production time.

Epic Games (Freelance)

Unreal TD

June 2023 – September 2023

- Developed and optimized 3D environments for the award-winning short film The Wish in the Epic India Shorts Program, leveraging Unreal Engine's virtual production to achieve seamless storytelling and enhanced workflows.

MAAC (Rohtak & Dharamshala)

Teaching Faculty

November 2021 – June 2023

- Trained students in 3D modeling, animation, and rendering while leading workshops on industry-standard tools like Maya and Blender.

AAKRITI CONSULTANTS

3D Designer

June 2017 – October 2020

ALMIGHTY RESOURCES PRIVATE LIMITED

3D Designer

March 2015 – February 2017

Prime Focus Limited

Roto Artist

October 2011 – March 2014

---

## Education

- Bachelor's Degree in CGI: Punjab Technical University (March 2008 – March 2012)
- Diploma in Art & Design: Centennial College (October 2007 – October 2008)

---
